

# FIDUCIARY OATH

---

I believe in placing my clients' best interests first.  
Therefore, I commit to the following five fiduciary principles:

---

*I will always put my clients' best interests first.*

*I will act with prudence; that is, with the skill, care, diligence, and good judgement of a professional.*

*I will not mislead clients, and will provide conspicuous, full and fair disclosure of all important facts.*

*I will avoid conflicts of interest.*

*I will fully disclose and fairly manage, in my clients' favor, any unavoidable conflicts.*
